Description: The Earth is being invaded, but no one knows about it. When Jake, Rachel, Tobias, Cassie, and Marco stumble upon a downed alien spaceship and its dying pilot, they're given an incredible power -- they can transform into any animal they touch. With it, they become Animorphs, the unlikely champions in a secret war for the planet. And the enemies they're...

Review: My kids and I all read this whole series when they were 8, 9, and 10. Now they're in their twenties and two are married. We're getting hooked on these again! (But Kindle is better.) I think all our old hardcopies got loaned out to my kids many friends. I needed to read these again. I just get tired of all the harsh situations, complex personalities,...
